## GREAT CROWD.

**In Point of Attendance the Masons' Barbecue Surpassed all Previous Occasions--People From Almost Everywhere Present.**

### PARTIAL LIST OF THOSE WHO REGISTERED AT THE NEWS' BOOTH.

The Fifth Annual Masons' Barbecue came off in Skillman's grove last Thursday. The day was ideal and 4,000 people from everywhere, the pick and choice and the cream of the country, were there drinking in the pleasure of an event which is not approached at another place in the county. The crowd did the self-same thing it has been doing for five years--that is, had a good time.

The people were friendly and spent money as if it grew on the trees over their heads.

The display of beautiful women made the men-folks stand about and marvel. They saw the latest cut in dress, the latest shape of the hat and the prettiest faces, livened by the sweetest smiles.

The gross proceeds were something like \$1,200, about \$300 of which was profits. Everybody was satisfied and wanted to come back again next year, which the Masons count as one of the biggest assets.

Col. Johnson could not be present on account of sickness.

On account of lack of space we publish only a partial list of those who registered at the Breckenridge News booth. In our next issue we will publish the remainder of those who registered:

### BARBECUE NOTES.

The special train from Fordsville and way points on the branch brought in six coach loads of people.

Judge Moorman and Roy Moorman, of The Hardinsburg Democrat, were there advertising their paper. Both are gentlemen and the News is glad to have such contemporaries.

Nolte Bros., and Edward Gregory had attractive displays in the advertising tent.

300 dinner tickets had to be redeemed and bought back because of lack of food to make good.

The Irvington base-ball team and Dukes played a game of ball in the afternoon on the grounds near the river. Irvington won the game by 11 to 7.

The Cannelton Band received compliments upon many of its numbers. Everybody thought it was a pity though that the boys couldn't keep the music going all the time.

By three o'clock everything was sold out but lemonade. It's a pretty true saying that lemonade like the poor is always with us.

The ladies' foot races did not come off.

Enel Holder got the lucky number in the graphophone contest and got the machine. The Number was 376.

Lafe Behen played lucky and got the \$40 range. His number was 626. Wonder what Lafe will do with the range. It's certainly up to him now.

Editor Clarence and family were there. Clarence carried his baby around all day. There are two things in this world Sterett is foolish about and that's his baby and his Junior Lynotype.

Senator "Dick" Owen was there from Lewisport with as sweet and pretty a bunch of girls as ever attended a barbecue. Dick says they are a fair sample of the good things they have at Lewisport. Among his Misses Lora Taylor, Pauline Lambert, Edith Howe, Rose Leibovitz and Martha Gropp.

Mrs. A. B. Skillman's absence was felt. On account of sickness she was unable to fill her place in the Mascine ladies' ice cream booth.

Miss Margraet Skillman was treasurer at the ice cream booth. She wound up the day with \$140 in her cigar box. Miss Margaret can make change with the ease and rapidity of a life-long banker. Maybe she gets the trait from her brother, Charlie.

There were hardly a dozen people down from Hardinsburg. There was a picnic at Hardinsburg Aug. 4, and there was nigh onto a hundred Cloverport people there. Sanctified Hardinsburg should re-read verse of Scripture which says "Do unto others as you would have others do unto you."

There were four thousand passengers handled on the merry-go-round. Receipts were \$200.

Mrs. S. J. Wells, of Lewisport, seventy-five years old, still young enough to enjoy the frivolous things of life, was there. She is a monument to the greatness of life well spent.

The Two Charlies were in evidence all day. Wherever there was work, to be done Charlie Skillman and Hamman were on the spot. Both were the busiest men in town two weeks before the barbecue and neither of them let up until the curtain dropped late Thursday evening.

### From Illinois.

Wilbur Keenan and family and brother, Claude, of Jacksonville, Ill., arrived last Wednesday to attend the Mason's barbecue and visit his wife's parents, Mr. and Mrs. Charlie Robinson near Hardinsburg. Mr. Keenan operates a farm of 96 acres of cultivated soil. He raises large crops of corn with which he feeds hogs for the Chicago market. 75 bushels to the acre, he says, is what they call a good corn yield.

For dry cracked lips, or rough skin, use Dr. Snoop's Green Salve. It positively makes lips and skin like velvet. Sold by Severs Drug Co.

### Senator Tillman's Garden.

At his home in South Carolina Senator Tillman is "famous as a garden er. He produces, among other things, the best asparagus and the finest roses to be found anywhere in the State.

Like other South Carolina farmers, Tillman raises corn and cotton. These are staple products of that region. Lately Tillman has made a specialty of cultivating asparagus for the early Northern markets and his income from this source is considerable. The cultivation of roses amounts to a passion with the pitchfork advocate. In his home gardens he has no less than 250 varieties of them.--Baltimore News.

## Into The Valley Of Death.

**Charles Ryan Popular Young Man, Victim of Consumption at Twenty Five**

Mrs. Rebecca Powers, of Dukes, left last Thursday for Owensboro, where she will join her daughter, Mrs. Ella Foster, and go to Chicago. Tomorrow S. W. Powers will enter his mother's farm for sale. It is located on the Owensboro road three miles from town.

Why does the sun burn? Why does a mosquito sting? Why do we feel unhappy in the Good Old Summer Time? Answer we don't. We use DeWitt's Witch Hazel Salve, and these little pills don't bother us. Learn to look for the name on the box to get the genuine. Sold by all druggists.

F. C. Cart in ordering his address changed from Beattyville, Ky., to Heidelberg, Ky., says the News is quite a comfort to him.

## STEWART MILLER INJURED.

**Gets Caught in Chain at Brick Plant and Has a Badly Mashed Foot.**

General Manager D. Stewart Miller got his foot caught in a belt chain at the Miller Brick & Tile plant Monday afternoon and suffered a very painful injury. The machine in which his foot was caught had to be stopped and taken to pieces before Mr. Miller's foot could be released.

Prof. Tyler of Amherst college, said recently: "A man can live comfortably without drains: no man ever existed without digestive system. The dyspeptic has neither faith, hope or charity." Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overeating. A corrective like Kodol For Dyspepsia. It digests what you eat. Sold by all druggists.

## OPEN AIR SERVICES

**At Tar Springs Sunday Afternoon --Rev. Currie Preached to the Hundred Guests.**

Open air church services were held at the Tar Springs Sunday afternoon by the Rev. B. M. Currie. There were about a hundred guests at the Springs nearly all of them attended the services.

A world of truth in a few words: "Nearly all other cough cures are constipating, especially those containing opiates. Kennedy's Laxative Honey and Tar moves the bowels. Contains no opiates." You can get it at all druggists.

### In Honor of Misses Barrett.

Miss Lula Severs entertained Friday evening in honor of the Misses Barrett, of Owensboro. Twenty guests were present.

## SCHOOL OPENS MONDAY WEEK.

**Building will be Heated by Steam --Same Faculty as Last Year will Teach in '06-'07.**

The Cloverport Graded School will open Monday, Sept. 10. The faculty of last year has been retained, which is Prof. Jno. P. King, principal; Edmund Wroe, first assistant, Miss Jennie Patterson, second assistant, Miss Margaret Wroe primary department.

The School Board has had a steam heater put in the school building and the rooms and halls will be heated by steam. The heater is situated under the room on the first floor in the West end of the building. Each room will have a sufficient number of radiators to ensure a pleasant room on the coldest days. The capacity of the heater is several hundred feet greater than is required for the actual heating of the building. The surplus was stipulated in the contract in order that there would be enough heat for an extra room which the School Board hopes to erect in the near future.

LaHeist and Behan have the contract for installing the heater.

### Irvington's Dutchman.

Irvington, Ky., Aug. 25, Breckenridge News, Cloverport, Ky. Sir:--

What do you think of Irvington's Dutchman? How many towns in the county that has a man like Christmas? C. J. Hensele, came to this town a few years ago and has done as much to beautify the main street of this little town as anybody. Look at the pretty trees, vines and flowers that surround his house. You can very often see him digging and watering around his trees which is a credit to himself and his town. What if every merchant in Irvington would take as much interest in such things, it would not be long before we would have a town that would be a credit to the county. If we had but a few more Dutchmen in town like Chriss some one might brag on Irvington.

Huiran for Chriss.

A Resident of Irvington.

## MARRIED IN TENNESSEE.

**Miss Mildred White and Mr. Morris Jolly Tie Matrimonial Knot at Springfield, Tenn.**

Irvington, Ky., Aug. 27--Special.--At Springfield, Tenn., Monday morning, August 20, Miss Mildred White, of Webster, and Mr. Morris Jolly, of this city, were married by the Rev. N. C. Wheatly of the M. E. church South of that city.

After the marriage Mr. and Mrs. Jolly went to Nashville, a few days there, and then to Louisville for a short stay and then to Irvington, where they will reside. Mr. Jolly having accepted a position with Jolly, Gardner & Co.

Miss White is the daughter of Mr. Edward White, of Webster, and formerly of Lima, Ohio. She is the niece of Mr. and Mrs. J. G. Harris, of Cloverport. Mr. Jolly is the son of Hon. and Mrs. R. M. Jolly of this city. The bride and groom are the guests of the groom's parents.

The bride is seventeen and the groom twenty-five. There was no parental objection to the marriage, and the object in going to Tennessee to have the nuptial knot tied was for the sake of novelty.

Get a 5 cent box of Lax-ets at our store please. We think they are great. Just test these toothsome, candy-like Laxative Tablets for constipation, sour stomach, biliousness, bad breath, muddy complexion, etc. Risk 5 cents and see. Severs Drug Co.

## PLEASURE CRAFT.

**At The Lower Levee--The Boat Hails From New Albany--Will Give Excursion Saturday.**

The "Ohio Belle" and excursion boat "Water Lilly" is at the lower levee this week. The boat showed at Tobinsport last night and will give an excursion to a point down the river Saturday afternoon. The boat is splendidly equipped for its business and carries a very fine band of four pieces. The excursion boat has a good dancing floor and at many towns the management gives balls to select crowds and private parties.

Capt. M. J. Eblesior, of New Albany, from whence the boat hails, is the proprietor and manager of the craft and a gentleman. The Captain says that he is out for pleasure principally and will go further South when the weather moderates. The engine room is one of the best equipped that has ever tied up to the levee here.

Don't drag along with a dull, bilious, heavy feeling. You need a pill, Use Dewitt's Little Early Risers, the famous little pills. Do not sicken or gripe, but results are sure. Sold by all druggists.

**WILLIAM J. WILL MAKE \$65,000 OFF OF TOUR.**

Gibraltar, Aug. 20.--William J. Bryan and his party sailed on the North German Lloyd line steamer Princess Irene at 2 o'clock today, the steamer being scheduled to leave at 2 p. m. Mr. Bryan expressed himself as being satisfied with his tour, which closed with visits to places of interest in and about the Rock.

Mr. Bryan has been away from America eleven months and during that time he has made \$1,000 a week by writing articles on his travels for a syndicate of American papers. He will earn approximately \$50,000 by his articles, and they will be reproduced in book form later, which will net him at least \$25,000 more. It is estimated that Mr. Bryan's expenses to travel with his wife, son and daughter have been \$200 a week or about \$10,000 for the time he has been away. His earnings for the year, therefore, will net him \$65,000.
